LB 611, 43, 308, 362,
393, 610

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, I do think the Legislature's vote the last time was correct on this bill and I hope that the vote will be the same. So what I am asking you to do is to defeat the motion that I am making this morning.

PRESIDENT: Very well, the motion is the Chambers' motion to reconsider LB 611. All those in favor of the motion vote aye, opposed vote nay. Have you all voted? Have you all voted? Senator Warner.

SENATOR WARNER: A point of information first. Is this kind of vote normally listed in the Journal or do I have to ask for a record vote?

PRESIDENT: Mr. Clerk.

CLERK: Senator, I think you should request a record vote.

SENATOR WARNER: I would just ask that, that is it.

PRESIDENT: Very well, have you all voted? A record vote has been requested and the Clerk will record the vote.

CLERK: (Record vote read. See pages 1398 and 1399, Legislative Journal.) 20 ayes, 16 nays, Mr. President, on the motion to reconsider.

PRESIDENT: Having failed to receive 25 votes, the motion fails. We go on to item #9 on the agenda for the appropriations bills, LB 610. Mr. Clerk.

CLERK: Mr. President, LB 610 (read title). The bill was read first on February 1st of this year, referred to the Constitutional Revision and Recreation Committee. The bill was advanced to General File. There are committee amendments pending, Mr. President.

PRESIDENT: Very well. Before we do that the Chair would like to make the announcement that while the Legislature is in session and capable of transacting business, I propose to sign and do sign LBs 43, 308, 362, and 393. And a guest of Senator Pappas with us is his daughter, Amy, under the South balcony. I believe she was here yesterday. We are glad to have you with us. Senator Labeledz.

SENATOR LABEDZ: Are we on the bill or...?

PRESIDENT: We are on LB 610 on the committee amendments.

SENATOR LABEDZ: The committee amendments, okay, thank you.
